

The “Break the Cycle” Sponsorship Form

How does Sage in Kenya help?

SageinKenya is making a difference to girls’ lives in Kenya. We do this by providing sanitary towels and underwear to girls whose parents can’t afford them. This enables the girls to stay in school during their periods, giving them the same opportunity as boys to perform to the best of their ability. Our schools programme, delivering monthly talks to the girls on topics relevant to their personal development, sits alongside the distribution of sanitary towels, ensuring a holistic approach in helping the girls.

This year, we will help over 2015 girls attend school when they are menstruating and give them a future.
